

# Anti-LIG1 [R02-5A2] Monoclonal Antibody

## AGMB02511

### Description

---

This Anti-LIG1 [R02-5A2] Monoclonal Antibody is supplied as a kit for advanced applications. The kit includes Bradford Reagent to quantify total protein concentration for accurate sample normalization (Optional).

### Product Information

---

|                       |                                                                            |
|-----------------------|----------------------------------------------------------------------------|
| <b>SKU:</b>           | AGMB02511                                                                  |
| <b>Contents:</b>      | 20µl, 50µl, 100µl<br>Bradford Reagent: 1 vial (2ml)                        |
| <b>Synonyms:</b>      | LIG1, DNA ligase 1, DNA ligase I, Polydeoxyribonucleotide synthase [ATP] 1 |
| <b>Applications:</b>  | <b>WB</b> <b>IHC-F</b> <b>IHC-P</b> <b>ICC/IF</b>                          |
| <b>Research Area:</b> | Epigenetics                                                                |
| <b>Form:</b>          | Liquid                                                                     |

### Antibody Data

---

|                      |                                   |
|----------------------|-----------------------------------|
| <b>Reactivity:</b>   | Human, Rat                        |
| <b>Clone:</b>        | R02-5A2                           |
| <b>Clonality:</b>    | Monoclonal Antibody               |
| <b>SwissProt ID:</b> | P18858                            |
| <b>Immunogen:</b>    | A synthetic peptide of human LIG1 |
| <b>Gene ID:</b>      | 3978                              |
| <b>Gene Name:</b>    | LIG1                              |

#### Manufacturers Statement

This final kit system is assembled and quality-released by Assay Genie Limited.

|                          |                                              |
|--------------------------|----------------------------------------------|
| <b>Host Species:</b>     | Rabbit                                       |
| <b>Isotype:</b>          | IgG                                          |
| <b>Purification:</b>     | Affinity Purified                            |
| <b>Conjugated:</b>       | Unconjugated                                 |
| <b>Modification:</b>     | Unmodified                                   |
| <b>Molecular Weight:</b> | Calculated MW: 102 kDa, Observed MW: 102 kDa |

## Preparation & Storage

---

**Storage:** Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.  
Store Bradford Reagent at Room Temperature for 1 Year.

**Storage Buffer:** Liquid in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% sodium azide and 0.05% BSA.

| <b>Antibody Dilution Ratio:</b>           | Application                                                                                                                                                                                                                                             | Antibody Dilution Ratio |
