

## Human CD20/MS4A1 (BLX-301) Antibody

**GXBS01017**

### Description

---

This Human CD20/MS4A1 (BLX-301) Antibody is supplied for advanced applications. The kit includes Bradford Reagent to quantify total protein concentration for accurate sample normalization (Optional).

### Product Information

---

|                        |                                                                                      |
|------------------------|--------------------------------------------------------------------------------------|
| <b>SKU:</b>            | GXBS01017                                                                            |
| <b>Contents:</b>       | Human CD20/MS4A1 (BLX-301) Antibody (100 µg, 1 mg)<br>Bradford Reagent: 1 vial (2ml) |
| <b>Target:</b>         | B-lymphocyte antigen CD20                                                            |
| <b>Form:</b>           | Liquid                                                                               |
| <b>Storage Buffer:</b> | 0.01M PBS pH 7.4.                                                                    |
| <b>Applications:</b>   | ELISA, FCM, Functional assay, Research in vivo                                       |

### Antibody Data

---

|                      |            |
|----------------------|------------|
| <b>Reactivity:</b>   | Human      |
| <b>Host species:</b> | Human      |
| <b>Clonality:</b>    | Monoclonal |
| <b>Accession:</b>    | P11836     |
| <b>Clone ID:</b>     | BLX-301    |
| <b>Isotype:</b>      | IgG        |

**Purification:** Protein A/G purified from cell culture supernatant.

**Endotoxin Level:** < 10 EU/mg

## **Preparation & Storage**

---

**Stability and Storage:** Store at 2 to 8°C for frequent use. Store at -20 to -80°C for twelve months from the date of receipt.  
Store Bradford Reagent at Room Temperature for 1 Year.

**Shipping:** Gel Pack

**Protein Quantification (Optional):** To quantify total protein levels, use the Bradford Reagent included in this kit. Visit <https://www.assaygenie.com/bradford-protein-assay-protocol/> to view the full protocol.

**Note:** For research use only. Not suitable for clinical or therapeutic use.
